Presentation

Enthusiastic software engineering student about to graduate, ready to apply all learned skills to practical situations. I'm adaptable to new teams, tech, and tasks, and eager to contribute to a company. I've worked with Java, C#, and JavaScript, and I'm excited to keep learning and growing through a great opportunity.

Studies

Liceo Santa Gertrudis

(2013 – 2017)

Bachiller en Educación Media.

Instituto Nacional de Aprendizaje

(2018 - 2019)

Técnico en Inglés para servicio a la Clientela.

Universidad Tecnológica Costarricense
